LIONS CODE OF ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and demand all fair remuneration or profit as is my just due, but to accept no profit or success at the price of my own self respect lost, because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my own business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another; that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state and my community and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

To aid others by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To be careful with my criticism and liberal with my praise, to build up and not destroy.

*As we Lions Meet this evening; we give thanks for the opportunity

We pray we will be motivated by our concern for the wider
community which we have the privilege to serve.*

Outgoing President's Report

When I look around at this changeover, I see a room full of people that have a mindset to help. For a Lion is a helper, a doer and a pillar of the community in so many ways.

Let me pass on gratitude and thanks to all my fellow members of the Lions Club of Parramatta and thank you all for allowing me to represent you and this fantastic club in the 2014/15 year. As a team we achieve so much more than could have ever been if we were individuals.

This year has been about forming and reinvigorating partnerships within the community. We have completed many projects and have a lot more on the calendar to complete.

I would like to thank 3 senior members of the club. Lion Enrico Beretta, Lion Eric Rode and Lion Lim Kok Lim for being there to listen to my calls and give me guidance and support when decisions needed to be made. I am proud to call these men my "Mates".

This year has seen Lion Eric in and out of hospital, but we wish him all the best with his endeavours of getting over this road bump that has presented itself to him.

If these guys are the "Ying", then every club needs its "Yang". 3 ladies put their hands up to the challenges that the board offers. With an energy that lifts the meetings and ideas popping up everywhere, I know that the club has cemented its foundation's to move into the coming years with ease.

We need to build on the little things that we have been doing over the past 24 months. No one said it would ever be easy, but we're doing it!

On the donations front, we will have given out approximately **\$33,000** this financial year. I think this is a phenomenal effort considering our membership numbers have dropped slightly plus not having the luxury of those events afforded to us in previous years. It's the Bunnings BBQ's and other events that allow us to donate each year. Your time given to support such club events allow us to help the community.

As we move into the new Lions year remember that we can't do it alone. It is all of our responsibility to keep a look out for and ask if someone would like to join Lions.

Go forth and ROAR!

Sincerely
Jon Copson
President 2014/15

INCOMING PRESIDENT'S REPORT

When I took office 2 years ago, never would I have imagined the challenges that it would bring. In my first year I found my feet but at times I still stumbled. Last year we were running freely and almost effortlessly. The next twelve months is going to be my hardest thus far. Strong foundations are needed to invite a new President into office and a change of the guard in Parramatta.

In the next twelve months, we as a club must ensure that our systems are running smoothly, our projects are on track and fruitful but most importantly that we have educated our next Executive with the knowledge so as not to fail.

We must continue and strive for excellence when it comes to communication within the club. We have come a long way from where we were, but I feel that the foundations have only been laid. A work in progress that we all must master!

Into the 2015/16 year we will undertake many projects and activities, but we as a club can only continue to complete as many as YOU allow us to. Without your assistance, we as a club cannot do much, but with your efforts we can complete and undertake whatever we choose to as the power in numbers far outweigh what one can achieve alone! I ask that you all support the newly elected board and give the newer members a mentorship that is unsurpassed. In twelve months the club will bare the fruit from this hard work, when a new President will take office for the first time, and the board will take a reshuffle.

Once again thank you for this privilege to serve your club for a third term.

Jon Copson
President 2015 - 16

SECRETARIES REPORT 2014-2015

It looked as though we were going to have a bumpy ride this year and it has turned out to be a lot better than first anticipated.

Despite losing a number of members we managed to stem the flow and bring on a new generation of members who have displayed an eagerness and desire to serve our community.

We also saw a reduction in Board members, however some extremely dedicated new members stepped into this void and they added new ideas and perspectives to our Board deliberations which has been refreshing.

For many years we have not seen a contest for Executive Positions in the Club, however this year we had a contest for the position of 1st Vice President and Lion Leeanne Hurren won that role however Lion Hediye Fitzgerald was pleased to take on the 2nd Vice President role and we congratulate both Lions for their conviction.

Another Lion who has stepped up into the breach; this year as a Director and next year as Assistant Treasurer was Lion Susie Saba and we congratulate her for taking on these challenging roles.

With the reduction in active members this year we have had to modify our Dinner meetings and generally the feedback has been very positive, that these meetings are more intimate, with increased communication amongst members, which has led to increased fellowship.

We have continued our focus on developing local relationships which have widened our field of influence and participation in the local community; these relationships included ongoing support for Allowah Children's Hospital; support for the Parramatta PCYC has seen some projects completed and a few projects yet to be enacted including the Boxing Tournament on 24th October at Parramatta RSL. **We also connected** with the Down Syndrome Association and provided catering at their Christmas Arts Project at Riverside Theatre and the T4321 celebration day at Playland.

On a personal note, I thank those members who have "put their Hands up" to take on some of the other jobs that I have been trying to carry for the past few years in particular:

- Lion Scott Hurren who has taken on the Taitwister role with great aplomb;
- Lion Hediye Fitzgerald has taken on the Bulletin Editor's role with gusto as well as adding considerably as a Director to Board deliberations;
- Lion Susie Saba who has eagerly taken over the Assistant Treasurer External Fundraising role and Director and next year will start as the Assistant Treasurer;

SECRETARIES REPORT 2014-2015

- Lion Ranjini Beadle who has taken over the Lion Tamers role for the next Lion's year which will hopefully tidy up our regalia and equipment. Thank you all for taking on these roles and don't worry about what to do as we will help you learn what needs to be done.
- Lion Jack Holloway, our youngest member, has stepped up to Assistant BBQ Chairman whilst he continues his culinary studies (we await the day he prepares Dinner for members!) and he has shown a keenness for more responsibility. Also from a chance meeting at a Bunnings BBQ he has picked up some casual work at a local Restaurant.

The Board has adopted the practice of assisting the community more during the course of the year instead of just predominately making donations at the end of the year which is good but does little to give our efforts any exposure in the community. Also this approach has enabled increased member participation in disbursement of the funds we've all raised.

Finally thank you to President Jon for his support of my ideas for membership and cultivation of the community partnership strategy and to members for allowing me to be a part of such a great Club.

Cheers and thank you all,
Secretary Eric Rode

REPORTS

DEN REPORT 2014/15

This year has been a year of ups and downs surrounding the Den. Losing our Den Chairperson in August 2014 meant that there were big shoes to fill. After a fill in Chairperson didn't quite work out as planned, we knew we were going to need a miracle to get the Den back into the respectable little community cottage it is.

After being appointed as the Den Chairperson back in December 2014, Ian had made an offer to manage the daily running of the den as he had previously done.

The Den is an important part of the local community by providing a place for meetings, day groups, training organisations and service clubs. We also have permanent tenants with parking spots.

This year has seen our tenancy grow and is at the point where we only have vacancies for day time groups to utilise the Den.

In the next year we plan to have some equipment upgrades completed and the grant submitted to remove all asbestos building materials and replaced with a new roof and disabled toilet.

We have approaches in the pipelines from Government Departments as the Den can be secured.

Any thoughts on improvements to the Den are welcomed from all members.

Jon Copson

Den Chairperson

MEMBERSHIP CHAIRMAN'S REPORT

Dear Members,

Another year draws to a close and we have had a busy year with membership.

At the start of the year we farewelled Mark Evans, John Kilby, Ian Robinson, Norma Williams, Rod Cook, Marie Kingcott and then during the year Cynthia Booth, Rhiannon Hoskins, Michael Lopez we wish them all the best for their futures.

The Board approved my Membership plan and budget at the July 2014 Board meeting and I made a commitment to the Club to get 10 new members.

Through our strategy of partnering with local organisations we were proud to invite and accept the following Lions into our fold Scott & Leanne Hurren, Hediye Fitzgerald, Geoff Lee MP, Susie Saba, Steve Issa, Vandana Setia, Simon Robinson, Jack Holloway and Ranjini Beadle transferred In from another Lions Club.

We have subsequently dropped Simon Robinson as a member and of the 8 inquiries received via the internet only Jack was successfully recruited. We still may have an opportunity to induct 1 or 2 members from these existing enquiries.

Unfortunately as sponsor for so many members I have not had sufficient time to conduct a structured Membership orientation due to my illness and other Club priorities, but the new members have proactively taken up roles within the Club and the more experienced members have been supportive of the new members.

We started the year with 23 members; we lost 11 members and we inducted 10, new members and one transferred in so we will finish the year with 22 members of which 3 are Lions at Large, 4 inactive members and 2 Associate members,; so this leaves us with 11 active members, so we need to keep building to survive.

I had hoped to finish the year with about 25 members, but my hospitalisation has prevented further recruitment and member development.

Happily Lion Hediye Fitzgerald has taken on the role of Membership Director for 2015/2016 and I urge members to try and help bring on another 5-6 active members next year to strengthen our numbers for future activities.

I believe that we have made a good start to membership this year but we still have a long way to go and I encourage all members to support Lion Hediye in membership development in 2015-2016.

Thanks and cheers,
Lion Eric Rode

REPORTS

BBQ REPORT APRIL –MAY

Many thanks for those Lions and helpers who rolled up their sleeves to give the team a hand at the North Parramatta Bunnings BBQ. We were able to sell all of the sausages that we prepared for and even though it was a quieter season I know we had great fun getting to know each other better.

The BBQ is being held on a Sunday again this month and I would like to show my appreciation to the Action team who have put their hand up to be the hands and feet of our serving in the community.

The process of organizing the team and stock for the BBQ behind the scenes can be a little challenging, fitting in with each others timetables, and I would like to thank you for replying quickly to the emails which assists the process.

Welcome also to the team: Jack Holloway, who is taking on more responsibility in the area of the preparation for the team for the BBQ's. Please advise Jack if you are able to assist for future BBQ's. Jack's email: jack_holloway@outlook.com

Lion Leeanne Hurren

Our goal is to make a real difference to the lives of these children and young people with disabilities who, in all probability, may never enjoy many of the stages and opportunities in life that we often take for granted.

PARRAMATTA NSW 2124

Dear Eric and John,

Sorry for the lateness of this letter but we really wanted to thank you so much for the efforts you went to in providing the Christmas party for the Allowah children last December. The meat was delicious, the face painting and magician provided them with great entertainment, not to mention the Easter bunnies and the provision of a steam cleaner for the hospital. Thank you for your passionate interest and support for the children at Allowah.

We pray that you are encouraged through your partnership in this ministry. The staff and families are so compassionate and skillful in their front line care but the children certainly are the heroes. Partners in the community like yourselves make it possible for Allowah to provide this specialized service.

Thank you for your interest and support for children who benefit so much from your kindness.

With warmest regards,
